Dear Parents and Players

This newsletter is reaching you with many things going on with our football program at Sidney High School. Following the holiday break, we began full preparation for the 2009 championship season. Starting on Monday, January 5th, our weight room will be opened daily from 2:35 – 4 P.M. every **Monday, Wednesday, & Friday.** To contend for the GWOC Championship in 2009, we must have a TOTAL commitment from all our players. We also need commitment from you, the parents.

I would also like to take a moment to discuss another topic, **Pay To Play**. In light of the districts recent financial woes we are staring at a possible \$450.00 pay to play scenario next season. In order to ease the financial burden of the parents and students we have developed 2 fundraisers starting this spring. The first fundraiser will be “Night at the Races”. Vespa Football Boosters sponsors this event and it will be held on Saturday, March 14<sup>th</sup> from 6-11 PM at the I.U.E. Union Hall in Sidney. The second will be Varsity Cards. In which the athletes will sell discount cards featuring local businesses and restaurants. All proceeds from these events will go directly towards supporting the football players and their Pay To Play fees.

We are facing some difficult times in our district but if we all pull together for a common cause I am confident that we will be able to have a successful season and make sure that no athlete will be denied a chance to play football for financial reasons. If you have any questions or would like to get involved please feel free to contact me at home or school.
